Introduction

Private schools listed in this Directory have filed a Notice of Intention to Operate a Private School (NOI) for 2000–01. Private schools are required to submit the NOI annually in accordance with Section 16 of the Education Act. Inclusion of a private school in this Directory does not imply that the instruction offered has been approved by the Ministry of Education.

The Ministry of Education may inspect a private secondary school that has requested inspection. The inspection is in respect of the standard of instruction in subjects leading to the Ontario Secondary School Diploma.

This Directory can also be accessed through the Ministry of Education's website (<http://www.edu.gov.on.ca>).

Introduction

Les écoles privées mentionnées dans le présent répertoire ont déposé un Avis d'intention de faire fonctionner une école privée (AVI) pour 2000–2001.

Conformément à l'article 16 de la *Loi sur l'éducation*, les écoles privées sont tenues de soumettre un AVI annuellement. Le fait qu'une école privée soit répertoriée dans la présente publication ne signifie pas que le ministère de l'Éducation sanctionne l'enseignement qui y est offert.

Le Ministère peut inspecter, sur demande, une école qui offre des crédits menant au diplôme d'études secondaires de l'Ontario. L'inspection porte sur l'enseignement dispensé dans les matières en question.

Le présent répertoire se trouve également au site Web du ministère de l'Éducation (<http://www.edu.gov.on.ca>).
